The Bureau recommended that the Committee inscribe the site on the World Heritage List under

criteria (iv) and (v) :

Criterion (iv) : The Hungarian Puszta is an exceptional surviving example of a cultural landscape constituted by a pastoral society.

Criterion (v) : The landscape of the Hortobágy National Park maintains intact and visible traces of its traditional land-use forms over several thousand years, and illustrates the harmonious interaction between people and nature.

The Hungarian Delegate stated, in agreement with the suggestion of ICOMOS, that his country could contact IUCN in order to envisage the preparation of a proposal for nomination for inscription on the World Heritage List under natural criteria.
